

모바일에서 erp.ict99.com 접속 후 모바일앱 다운로드

The screenshot shows the mobile website for erp.ict99.com. At the top, there's a navigation bar with the site name and a refresh button. Below that, there's a section titled "인터랙티브 다운로드 센터" (Interactive Download Center). Under this, there are several options for downloading and installing the ERP system, including "ERP 프로그램 설치 및 업데이트" (ERP program installation and update) and "ERP 스마트폰 어플 설치" (ERP smartphone app installation). The "ERP 스마트폰 어플 설치" section is highlighted with a red box, showing options for "안드로이드" (Android) and "안드로이드 애플 다운로드" (Android App Store download). Below this, there are various user manuals and guides for different ERP modules like "공통/일반" (General), "재무회계" (Accounting), and "공정관리" (Quality Management). At the bottom, there's a notification that says "파일 1개를 다운로드했습니다." (Downloaded 1 file) and a red box around the "파일 열기" (Open file) button.

The screenshot shows a mobile file manager interface. At the top, there's a navigation bar with the title "내 파일" (My Files). Below that, there's a section titled "최근 파일" (Recent Files) which lists several files, including "ICT_E...6.apk", "k-mong...hwp", and "upload...2.pdf". The "ICT_E...6.apk" file is highlighted with a red box. Below this, there's a "카테고리" (Categories) section with icons for "이미지" (Images), "오디오" (Audio), "동영상" (Videos), "문서" (Documents), "다운로드" (Downloads), and "설치 파일" (Install files). At the bottom, there's a "휴대전화" (Mobile Phone) section showing storage information for "내장 메모리" (Internal Memory) and "SD 카드" (SD Card). There's also a "클라우드" (Cloud) section showing "삼성 클라우드 드라이브" (Samsung Cloud Drive). At the bottom right, there's a red box around the "설치" (Install) button.

The screenshot shows the installation screen for the "ICT ERP" app. At the top, there's a navigation bar with the app name. Below that, there's a large text area that says "이 애플리케이션을 설치하시겠습니까? 특별한 액세스 권한이 필요하지 않습니다." (Do you want to install this application? No special access permissions are required). At the bottom right, there's a red box around the "설치" (Install) button.

웹상에서 배포하는 apk파일이므로, 보안상의 이유로 기기에서 설치를 제한할 수 있으니, 무시하고 설치 진행

설치가 정상적으로 완료되지 않을시, Play 스토어 에서 아래와 같이 설정 (비활성화 처리)
